

**Peace Lutheran School
Parental Consent Form**

(Name of Student(s))

Please mark the boxes next to each of the paragraphs to indicate your agreement.

- I/We _____ as father, mother, parents, or legal guardian of the above-named student give permission to my child to participate in Peace Lutheran School's extracurricular events and field trips of which I/we have been informed beginning the first day of school.
- I/we also promise to provide information for the leader of the event telling where at least one parent/guardian may be reached on the day and time of the event. I/we will give permission to the leader to arrange for any emergency medical attention that my/our child may need during the event. (A form regarding both of these things will be sent home prior to any event.)
- I/we agree that I/we will not hold responsible the Board of Education, the teachers, any volunteer help, and the congregation of Peace Lutheran Church and School for any legal action that might arise regarding my/our child's participation in the programs of Peace Lutheran School.
- I/we also agree that this form may be used in place of a permission slip in the event that our child does not return his/her permission slip to his/her teacher before the scheduled event.
- I/we give permission to Peace Lutheran School to use photo images of my/our child in the school's publications, website, and advertisements. I understand that my/our child's name will not be printed if a photo image of my/our child is used.
- I/we give permission to Peace Lutheran School to use our names, addresses, and phone numbers in a school directory.
- I/we give permission for my/our child to use the internet at school. I/we understand that if my/our child does not follow Peace Lutheran School's guidelines for internet/computer use, they will not be allowed to use the internet/computer at school. (A set of guidelines is available from the classroom teacher.)

This consent will remain in effect for the remainder of the school year, or until I/we revoke it in writing.
