### **Pick-up List**

The following is a list of people that may pick up my child from Peace Lutheran School and Preschool on any given day. **Please notify your child's teacher if your regular schedule of pick-up is altered in any way.** This will help to ensure your child's safety. If you do not list a specific pick-up person, and you have not notified the teacher in writing, your child cannot be released to that person without verbal confirmation from you. Once again this is to insure the safety of all the children. Thank you.
